BUSINESS ESSENTIALS

Get your security essentials with Rize Technologies' Business Essentials Plan. Daily remote support, anti-virus protection, and firewalls keep your data safe, while Network Scan alerts you of any potential security threats. Our security updates will guard you against basic threats so you can focus on what matters most.

BUSINESS PRO

Our most popular offer. Rize Technologies' Business Pro Plan keeps you safe and aware of what's happening with your security. Take advantage of a full Office365 enterprise license for increased productivity. A real-time monitoring portal plus quarterly business reviews will keep you in the know, while anti-ransomware, Web Gateway Security, and tailored cybersecurity training keep your whole business safeguarded 24/7.

BUSINESS ADVANCED

When you want the best in online security and support, go for Rize Technologies' Business Advanced Plan. With all the protection of our Basic and Active plans, we take it over the top by providing you with tech solutions tailored to your company's needs. Getting this plan would let you have an IT business partner that you can completely trust.
